A spirit of healing in the beautiful *southwest.*

Work that touches lives.

Lovelace Sandia Health System invites you to rediscover your passion for healing in the beautiful southwest. Located in sunny Albuquerque, New Mexico Lovelace Sandia is home to leading-edge facilities, exceptional resources and a collaborative approach to healthcare. As a nationally recognized regional health care organization, we can offer you the chance to really make a difference in the lives of your patients. Our scenic surroundings also offer an endless supply of outdoor recreational possibilities. In other words, just what the doctor ordered. We have opportunities for physicians in a wide range of specialties. If the position you're interested in is not listed below, we have others available. Explore a spirit of healing here.

- **Breast Surgeon**
- **Cardiology**
- **ENT Physician**
- **Family Practice**
- **Hematology/Oncology**
- **Internal Medicine**
- **Ophthalmology**
- **Orthopedics**
- **Pediatric (Santa Fe clinic)**
- **Pulmonary**

We offer a competitive compensation and benefits package. To apply, submit your CV online at: **www.lovelacesandia.com.**

If you are unable to apply online, forward your CV to: Human Resources Dept, Attn: Physician Recruiter, 7850 Jefferson Blvd. NE, Suite 100, Albuquerque, NM 87109; or call (505) 727-4411.

Risk Knowledge

Prevalence and Correlates of Initiation of Smoking Behavior among Preteen Black and White Children, February, No. 2, 200

Rural Health

Community Health Workers and Home-Based Care Programs for HIV Clients, April, No. 4, 496

Rural Population

Relation between Region of Residence in the United States and Hypertension Incidence—The NHANES I Epidemiologic Follow-Up Study, May, No. 5, 625

Screening

Evaluation of Decision Rules for Identifying Low Bone Density in Postmenopausal African-American Women, March, No. 3, 290

A Focus Group Study of Factors Influencing African-American Men's Prostate Cancer Screening Behavior, June, No. 6, 780

Screening for Diabetes in an African-American Community: The Project DIRECT Experience, October, No. 10, 1325

Serum

Infection with *Helicobacter Pylori*, Coronary Heart Disease, Cardiovascular Risk Factors and Systemic Inflammation: The Third National Health and Nutrition Examination Survey, November, No. 11, 1470

Serum Ferritin

Serum Ferritin Levels and Transferrin Saturation in Men with Prostate Cancer, May, No. 5, 641

Sexual Behavior

Racial Disparities in Sexual Risk Behaviors and Drug Use among Older Gay/Bisexual and Heterosexual Men Living with HIV/AIDS, February, No. 2, 215

Sickle Cell Anemia

Acute Hepatic Sequestration in Sickle Cell Disease, September, No. 9, 1235

Sickle Cell Disease

Outpatient Management of Sickle Cell Pain with Chronic Opioid Pharmacotherapy, July, No. 7, 984

Smoking

African-American Menthol and Nonmenthol Smokers: Differences in Smoking and Cessation Experiences, September, No. 9, 1208

Cardiovascular Disease Prevention Counseling in Residency: Resident and Attending Physician Attitudes and Practices, August, No. 8, 1080

Prevalence and Correlates of Initiation of Smoking Behavior among Preteen Black and White Children, February, No. 2, 200

Workplace Tobacco Policies and Smoking Cessation Practices of Physicians, June, No. 6, 838

Socioeconomic Factors

Inequality and Adolescent Violence: An Exploration of Community, Family and Individual Factors, April, No. 4, 486

Atrial Fibrillation in a Multiethnic Inpatient Population of a Large Public Hospital, November, No. 11, 1438

Socioeconomic Status

Asthma in Pregnancy—Its Relationship with Race, Insurance, Maternal Education and Prenatal Care Utilization, November, No. 11, 1414

Substance Abuse

Treating Chronic Pain in the Presence of Substance Abuse, August, No. 8, 1102

Surgical Site Infection

Surgical Site Infection Complicating Internal Fixation of Fractures: Incidence and Risk Factors, August, No. 8, 1070

Thiazide

Clinical Studies of Thiazide-Induced Hyponatremia, October, No. 10, 1305

Thoracotomy

Esophageal Impacted Dentures, October, No. 10, 1350

Transferrin Saturation

Serum Ferritin Levels and Transferrin Saturation in Men with Prostate Cancer, May, No. 5, 641

Tuberculous Lymphadenitis

Cervico-Mediastinal Tuberculous Lymphadenitis Presenting as Prolonged Fever of Unknown Origin, May, No. 5, 682

Tuskegee

The Tuskegee Study of Untreated Syphilis and Public Perceptions of Biomedical Research: A Focus Group Study, August, No. 8, 1051

Twin Pregnancy

The Effect of Parental Race on Fetal and Infant Mortality in Twin Gestations, October, No. 10, 1337

Single Motherhood and Neonatal Survival of Twins among Blacks and Whites, December, No. 12, 1618

Application of Body Mass Index Principles in a Model Elementary School: Implications for Overweight and Obese Children, April, No. 4, 468

Urban

Factors Influencing Infant Feeding Method in an Urban Community, March, No. 3, 325

Knowledge of Heart Disease among Women in an Urban Emergency Setting, August, No. 8, 1027

Relation between Region of Residence in the United States and Hypertension Incidence—The NHANES I Epidemiologic Follow-Up Study, May, No. 5, 625

Utilization

Ethnic and Geographic Variation in Gastrostomy Placement among Hospitalized Older Patients, October, No. 10, 1346

Modifiable Determinants of Healthcare Utilization within the African-American Population, September, No. 9, 1169

Vaccination

Focus Group Interviews on Racial and Ethnic Attitudes Regarding Adult Vaccinations, November, No. 11, 1455

Men Who Have Sex with Men: Answers about HIV Vaccine Research, October, No. 10, 1364

Parental Beliefs about Vaccination among an Ethnically Diverse Inner-City Population, August, No. 8, 1047

Violence

Inequality and Adolescent Violence: An Exploration of Community, Family and Individual Factors, April, No. 4, 486

Web of Science

Web of Science: A Unique Method of Cited Reference Searching, July, No. 7, 980

Weight

Addressing Multiple Breast Cancer Risk Factors in African-American Women, January, No. 1, 76

Associates of Bone Mineral Density in Older African Americans, December, No. 12, 1609

Harris–Benedict Equations Do Not Adequately Predict Energy Requirements in Elderly Hospitalized African Americans, February, No. 2, 209

Weight Management

The Tripler Army Medical Center's LE^{3}AN Program: A Six-Month Retrospective Analysis of Program Effectiveness for African-American and European-American Females, October, No. 10, 1332

West Nile Virus Infection

Severe Meningo-Encephalitis and Death in a Renal Transplant Recipient Resulting from West Nile Virus Infection, December, No. 12, 1646

Women

Diversity and Professional Excellence, October, No. 10, 1354

Evaluation of Decision Rules for Identifying Low Bone Density in Postmenopausal African-American Women, March, No. 3, 290

Knowledge of Heart Disease among Women in an Urban Emergency Setting, August, No. 8, 1027

Lower Rates of Low Birthweight and Preterm Births in the California Black Infant Health Program, March, No. 3, 315

Maternal Support in the Delivery Room and Birthweight among African-American Women, February, No. 2, 187

Metabolic Syndrome: Soybean Foods and Serum Lipids, August, No. 8, 1032

Osteoporosis Screening sis Unjustifiably Low in Older African-American Women, April, No. 4, 461

Relation between Region of Residence in the United States and Hypertension Incidence—The NHANES I Epidemiologic Follow-Up Study, May, No. 5, 625

Worth

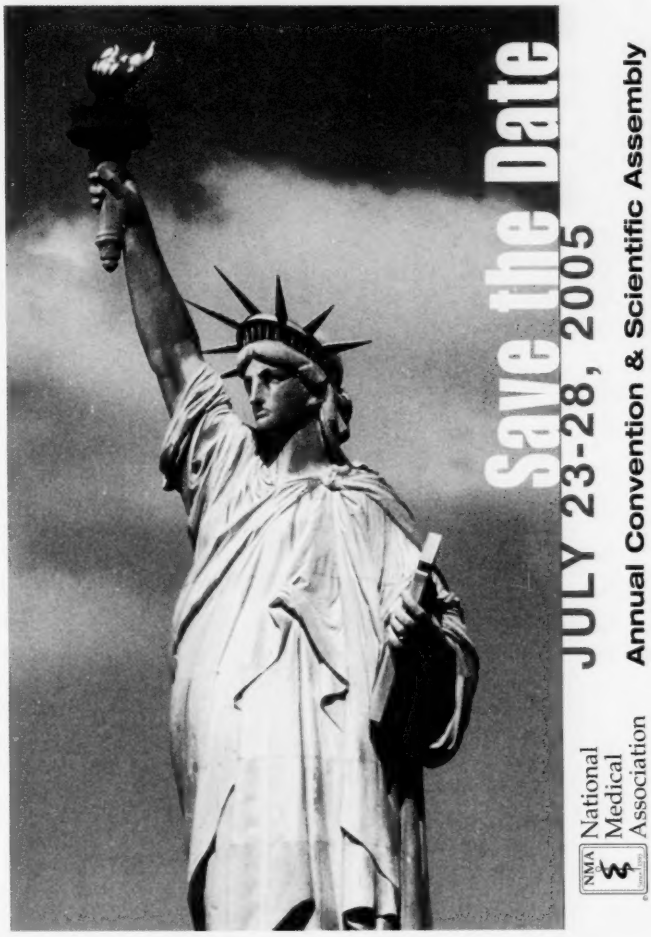
A Classification of Black-American Self-Esteem, January, No. 1, 23

Wound Healing

A Retrospective Study: Clinical Experience Using Vacuum-Assisted Closure in the Treatment of Wounds, August, No. 8, 1073

Wounds

Age 14 Starts a Child's Increased Risk of Major Knife or Gun Injury in Washington, DC, February, No. 2, 169

Surgical Site Infection Complicating Internal Fixation of Fractures: Incidence and Risk Factors, August, No. 8, 1070


VACA Retrospective Study: Clinical Experience Using Vacuum-Assisted Closure in the Treatment of Wounds, August, No. 8, 1073
